Improvement of cleaning ability

Wide view makes the operation safe

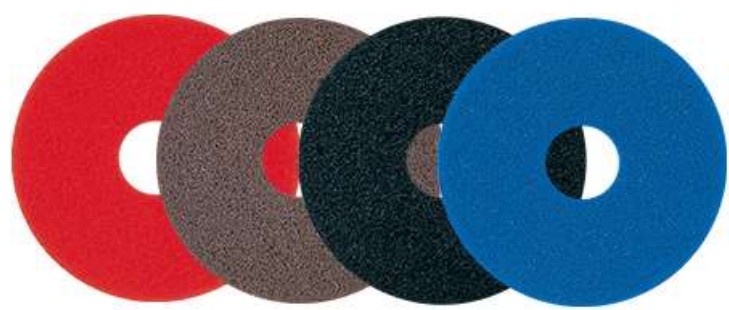

Oil resistant design, improved durability and safety

Sample operations

Various Pads and Brushes are available

Specifications

Model	Z-1F
Cleaning width	432 mm
Squeegee width	780mm
Cleaning capacity	up to 860 m ² /h (2km/h)
Water tank capacity	33 L
Waste water tank capacity	33 L
Brush/pad diameter	432 mm (17inch)
Brush/pad rotation speed	120 min ⁻¹
Drive System	Manual
Batteries	DC12V 65Ah X2
Operating time	Approx. 2 hours
Brush motor	400 W
Blower motor	380 W
Dimensions	493 X 1126 X 923 mm
Weight	120 kg
Ambient temperature	0 - 40 °C
